Since 2007

YeeYe hardware is proud to be committed to high quality to top quality products from the beginning. We are proud to say that our products continuously surpass industry standards. More than anything we want you to feel confident in choosing YeeYe for your precision parts and highest quality standard products.

It all began in 1995 when a small steel fabrication business launched by Bulldog, Moer started manufacturing builder hardware in Linhai. By 2007, YeeYe hardware was born, and works with its customers designing and implementing features sought after by discriminating consumers around the globe.

By 2015, we start to make hydraulic parts.

By 2018, we start to supply hygienic levelling feet parts and hygienic design screws and nuts.

YeeYe hardware locate in Linhai, a small beautiful city, operates with 30,000+ square feet manufacturing space, over 80 employees.

YeeYe's commitment to producing quality products combined with honest, reliable service has proven to be a successful handle work to ensuring the continued rapid growth of the company.

YeeYe's proud of high quality control system and his seasoned and high efficiency employees.

Welcome to visit our factory.
